TENNESSEE TIGERS DRINK UP THE GREEN WAVE

Completely Upset Dope to Beat
Ohioans

Nashville, Tenn., Nov. 24—Playing brilliant football and showing power for the first time this season, Tennessee State upset the highly rated Wilberforce team 6-2 today before 5,000 howling fans.

State kicked off to Wilberforce the ball rolling to the five yard line where Rutherford of 'Force was tackled. The Ohioans tried a few thrusts at the State line and then kicked. Fred Jordan, the versatile back who was running as quarter for the injured Cox, returning it for fifteen yards. For the next eight or ten minutes, Rucker and Jenkins engaged in a punting duel with Jenkins of 'Force holding the edge. Later Hambrick and "Flash" Jordan formed a monopoly on carrying the oval and brought it up to their own forty yard line. On the next play Jordan flung a pass that was good for thirty-five yards

ALUMNI COME FROM ALL PARTS OF STATE FOR TWENTY- THIRD HOMECOMING

From Carter to Shelby have come loyal sons and daughters of A. and I. State College to spend the Thanksgiving season on the campus of their Alma Mater. Indications point to the largest home coming in the twenty-two years of the College's existence. Of course, there is the game with Rust College at 2:00 P.M. on Thanksgiving Day, with the "Big Blue" Eleven out to save the day for dear old A. and I. At this time Miss Tennessee, with a retinue of attendants, will be crown-

Three Colleges Welcome President
on Fisk Campus—Stays 20
Minutes

Tennessee A. & I. State College student body joined in the welcoming of President Franklin D. Roosevelt Saturday, November 17, by singing for him a request number "Hand Me Down the Silver Trumpet, Gabriel."

Fisk University, Meharry Medical College and Tennessee A. & I. State College all arranged a welcoming of the President on Fisk Campus around the drive in front of Jubilee Hall. Fisk and Meharry students and faculty occupied the bleachers on the right hand side of the drive and Tennessee A. & I. State College students occupied the bleachers on the left of the drive. Seats for other citizens were arranged on the lawn facing Jubilee Hall. The streets along the route of the President's party were crowded with people standing eight deep.

While the crowd eagerly awaited the arrival of the President and his

into the outstretched arms of Jackson—Jackson taking the ball over his shoulder for one of the prettiest catches of the day. On the next play, Jordan circled right end for a touchdown. State failed to convert.

This six point advantage caused the Mighty Wave to churn with all its fury, but the thirsty tiger would not be denied a drink. For what looked to be another touchdown drive when Rucker kicked far into the Ohio boys' territory when Junis fumbled the ball and Parden recovered for State. This drive, however, was short lived when Jordan attempted to kick a field goal from his twenty yard line. At this point, Jenkins of Ohio got off one of his lusty punts that traveled for sixty yards. Jordan fumbled the pigskin and Force recovered. Not to be denied, the boys from the Buckeye State carried the ball down to the fifteen yard line where the superb State line held for downs. The half ended with State leading 6 to 0.

The second half of the warfare was opened by State kicking off to Wilberforce, Junis, the sparkplug of the Ohio team being stopped on the twenty yard marker. At this point of the game the Buckeye boys were using everything in their repertoire when they caught State off guard by successfully using a quick kick. Rucker retaliated when he got off a weak punt that was nearly blocked. In the scramble for the ball, Force recovered. The Tennessee State line charged with all its might to hold the enemy for downs, Miller being spectacular in knocking down attempted passes.

What was perhaps the most hair-raising episode of the entire game was when Force, by virtue of a long pass and a determined drive, worked the oval down to the tigers' last marker and had first down and goal to go. This was when Davis' line soared to its greatest heights by holding the Wave for downs. Upon receiving the ball from the center, Rucker momentarily fumbled and before he could recover and get out of danger he was swarmed by a horde of green jerseys that nailed him behind the goal line for a safety, thus making the score read State 6, Force 2.

In the waning moments of the game, Junis, the halfpint back of Wilberforce, electrified the fans when he took a lateral pass from one of his mates and ran some thirty yards before being forced out of bounds. Within the next few minutes the time-keeper's gun ended this breath-taking game.

The entire State line played stellar ball with Lovelace and Hward outstanding. The whole backfield played

party Rabbi Julius Mark spoke on "President Roosevelt, the Man." The life of the President was briefly sketched.

As the President and his party arrived on Fisk Campus with motorcycle escort, the crowd stood with bared heads and silently paid tribute to President Franklin D. Roosevelt, who smilingly waved his hat. The President's car came to a stop before the black and white clad Mozart group standing on the steps of Jubilee Hall.

Mr. S. L. Smith introduced the Presidents of the schools represented. The President and the First Lady were presented flowers by Misses Patricia Johnson and Gwendolyn Hale.

exceptionally well with Jordan and Hambrick carrying the brunt of the attack.

For Wilberforce, Henderson at left end, was best in the line. In the backfield, Junis, with his spectacular sidestepping and stiff arming; Jenkins, with his lusty punting and Hart with his hard running were outstanding. Junis is one of the best backs to appear here in years.

TENN. STATE TIGERS DEFEAT LANE 8 TO 0

Cox, J. Jordan and Robinson Are Outstanding—Score With Pass and Safety

By J. Harris Fowler

Jackson, Tenn., Nov. 17—Before an overflowing Lane Homecoming crowd composed of the Alumni from both schools, the ferocious State Tigers capitalized on the "breaks of the game" to eke out an 8 to 0 victory over the Lane Dragons.

The two teams started off in whirl wind fashion by filling the air with passes. The tigers soon clawed their way down near the Dragon goal line when Cox threw a pass to Jordan for the six pointer—the ball barely missing being knocked down by a Lane back. State failed to convert.

By playing alert football Rube Robinson, the hawk-eyed end nailed the Lane safety man in his tracks as he tried to punt from under his own goal post, thereby making the safety. At the end of the first quarter the first and final score read State 8, Lane 0. Appearing apparently satisfied with this lead the Bengals played a defensive game for the remainder of the afternoon.

ed. The society of the campus plus that of Nashville will be out in their Thanksgiving best attire. Balloons, peanuts, chrysanthemums and ribbons will lend color to the occasion.

On Thanksgiving eve the campus was aglow with electrical displays. Each fraternity, sorority and club had its symbol illuminated and placed in front of a major campus building. There was a pep session, bon fires, a parade, plenty of enthusiasm and spirit.

Thanksgiving morning there will be a parade of automobiles through the city of Nashville, beginning at 10 a.m., and a series of club, class and organization breakfasts and dawn dances.

Thanksgiving evening there will be the annual Thanksgiving dinner with a menu in keeping with the best tradition of the season. Turkey will "reign" on all tables. There will be a dance for the students, alumni, and guests.

Friday, November 30, will be Alumni Day. There will be a special chapel service at 10:00 A.M., followed by a morning and afternoon session of the Alumni Association. In the evening there will be a reception.

Saturday and Sunday will be featured by special programs, social affairs and reunions.

"LEST WE FORGET"

Have you ever felt as if the world's against you,
And that not a single person really cares;
That there's nothing in the world that matters,
But we're just abiding here on meager shares?

That everything is always void of interest,
You live a life of sorrow and disgust;
And brood because no earthly being,
Can ever live up to your solemn trust?

If so, just give yourself a general check-up
To see if you have done your little share,
For some where in this great Universe, there must be
At least one person who really, truly, cares.

Oh, that's the time to lift your head the higher,
Keep smiling as you pass the teeming throng.
Work harder, learn to love and cherish labor,
And life will flow by like a cheerful song.

God is the Father of all earth's vast creation,
We are the heirs to His gifts from above.
Therefore can none of His own chosen children
Be severed from His friendship and His love.

THANKSGIVING, 1934.

TENNESSEE STATE VS. WILBERFORCE

There was more spirit exhibited by
the student body Saturday at the Ten-
nessee State-Wilberforce game than
at any other game on the College
campus.

The game attracted city-wide atten-
tion because Wilberforce is known to
have a strong team and our boys had
lost but one game thus far this sea-
son. Even a well patronized barber
shop has this sign in its window—
"Gone To The Game—Come On Out."

It was the opinion of many that
Wilberforce would win the game—but
would win by a small score. They did
not reckon with the brawn and valiant
fighting of the Tennessee State
Tigers.

The student body showed remark-

10 plant—the finest Negro land grant college plant in the world

able faith in our team by their cheer-
ing. As some of the boys on the team
have said, their playing depends
greatly upon the support that they
get from the students. Saturday was
the only time A. and I. students have
really shown that they have "The
Good Ole Tennessee Spirit." To our
efficient cheer leaders special praise
should be given. They played their
part in the winning of the game.

The victory over Wilberforce has
given Tennessee A. and I. State more
recognition from other institutions
than all the other games they have
won together.

As Tennessee A. and I. State Col-
lege has taken its place with other
institutions by ranking with them ac-
cording to a large student body, mod-
ernly equipped buildings, and efficient
teachers, it is now taking its place
with other institutions in football.

WHY WE ARE THANKFUL

Our plant is the largest and best
equipped of the Negro land grant col-
leges and is second to none among the
colleges for Negro youth.

The educational work of the insti-
tution has merited Class A recognition
from the American Association of
Teachers Colleges, the American Med-
ical Association, the state departments
of education of a majority of states.

The new Auditorium and Health
Building is the last word in architec-
ture for college edifices. Its large
auditorium, well equipped gymnasium

and swimming pool provide excellent
facilities for entertainment and recre-
ation.

The Tigers are in the race for the
national football championship.

The student body numbers over 900
students of college grade representing
twenty-five states from Massachusetts
to Texas and from Washington to
Florida.

The faculty contains six "doctors"
—two doctors of philosophy; three
doctors of medicine; one doctor of the
science of law.

President Hale gets younger and
younger with the years. He is the
original "New Dealer" and it doth not
yet appear what finer things his con-
structive imagination will make real
to us.

Over six hundred college alumni
and several thousand academic and
normal graduates honor the name of
alma mater.
